

Winter Newsletter

Dear Parents & Students,

We hope that everyone has enjoyed a peaceful and restorative holiday. We look forward to seeing all of our students in class beginning Monday, January 9th.

1. All 2nd semester tuition should now be paid. If you have not paid, please mail your check to 31 Middletown Avenue, Wethersfield, CT 06109 as soon as possible. If your child is not planning to return to class, please let us know so we can make class adjustments.
2. We are excited to be planning our 69th annual recital for Memorial Day weekend (May 27th and 28th) at Wethersfield High School.
3. All classes will be receiving recital costume information next week. As always, we will make every effort to keep the cost of recital costumes to a minimum. Due to supply shortages and mail delivery delays, we must be in receipt of your costume payment by Sunday, January 22nd so that we can place our order for a Memorial Day weekend performance.
4. If classes are canceled because of snow, we will post the cancellation on our website. We will also send you an email. We do not automatically cancel if there is a "Parking Ban" in Wethersfield. There is always parking across from our studio in the church parking lot. However, always use your own discretion when traveling and we understand when children miss class due to the weather.
5. Please be sure to check our School News Board at the bottom of the ramp when you pick up your child after class. Also, be sure to check our website and follow us on Facebook and Instagram for upcoming news and school information, such as dates for this year's summer camps!
6. Please be sure to have your child check the "Lost & Found" at the bottom of the stairs in the basement of the studio. All 1st semester items will be donated or discarded by the end of January.

May we grace the New Year with Peace & Love,
Miss Mary Beth & The Griffith Academy Staff

EXCITING NEWS! We will be holding a St. Patrick's Day Celebration Ceili for the entire Griffith community on Saturday, March 18th. More details to follow!
